Light Whispers Kinesiology - Kinesiology

Your body is innately designed to heal itself but to do so your physical, emotional, mental & spiritual bodies need to be in a state of balance and harmony. When in balance healing takes place and your natural ability to thrive flows. Decision making becomes clearer, physical health improves, and vitality shines to live your authentic life. Light Whispers Kinesiology brings focus to the messages your body wants heard so they can be addressed and cleared. Kind of like sweeping the path for you to walk it.

Lodge Healing - Energy Medicine

Our bodies and energy fields are constantly under threat at the moment due to a chaotic time in world history. This creates disease and pain in our physical bodies as well as mental health issues. Bron works with multiple energy systems, reconnecting and getting them flowing again so your body can heal and flourish. Bron also clears your energy field from lower vibration energies which leaves you feeling lighter and clearer.

Lodge Healing - Psychic Medium

Bron is a Psychic Medium who empathically tunes into and brings forth insights from your energy field regarding who you are and any challenges you may be going through. She also brings through evidence based messages from deceased loved ones giving people peace and clarity that their loved ones are ok on the other side.

Majik of Life - In-depth Astrology Reading

Jesslyn is an insightful and gifted Shamanic and Evolutionary Astrologer, with a natural ability to decode natal birth charts in a way that is practical and easy to understand whilst adding a sprinkle of spiritual insights. Her mission is to guide you in unlocking the magic of your unique chart so that you can fully step into your highest potential.

Miss Kelly Psychic Services - Psychic Tarot Readings

Rachel Mason Kinesiology - Kinesiology

Stuck? Stressed? Difficulty coping? In survival? A kinesiology 'balance' can help you regain calm, clarity, and feel yourself again. Kinesiology is an empowering energetic healing modality which uses gentle muscle monitoring to highlight stresses via the body's bio-feedback system. With a wholistic approach, Kinesiology explores and then integrates the conscious and subconscious compensations affecting you on physical, functional, mental, emotional and energetic levels.

Rachel Mason - ISBT-Bowen Therapy - Upper Body

ISBT-Bowen Therapy is a hands-on physical therapy working with the body's soft connective tissue (fascia) to stimulate the body's own healing mechanisms. An ISBT-Bowen treatment involves precise, gentle pressure and rolling hand movements which are applied to specific points on muscles, tendons and ligaments.

The pauses between moves are also crucial, allowing time for the nervous system to respond and for the body to rebalance, relax muscles, and promote tissue repair. The session will focus specifically on stress of the upper body including the upper back, neck, and shoulders.

RAINBOW LIGHT REFLECTIONS - Psychometry, Mediumship, Past Life Readings

As a Medium, Anne-Veronica travels between two worlds blending with the spirit energy of the ancestors, bringing messages from loved ones, guides and inspirers who speak to us now from beyond the veil.
